

Clarks River National Wildlife Refuge

Hunting and Fishing Regulations 2013-2014

General Information

Clarks River National Wildlife Refuge is one of over 556 National Wildlife Refuges administered by the U.S. Fish and Wildlife Service. The primary objective of a National Wildlife Refuge is to provide habitat for the conservation and protection of all species of wildlife. The harvest of surplus animals is one tool used to manage wildlife populations. Carefully managed hunts maintain wildlife populations at a level compatible with the environment provide recreational opportunities and permit the use of a valuable renewable resource.

Public hunting and fishing on Clarks River National Wildlife Refuge is currently permitted on approximately 9,000 acres located in Marshall, McCracken and Graves counties in western Kentucky. All refuge property is clearly marked on the outside boundary with yellow paint hash marks and blue goose boundary signs. Some landowners adjacent to the refuge may mark their boundary with blue paint hash marks and no trespassing signs. Trespassing on posted or unmarked private property is a violation of Kentucky State law.

Individuals utilizing the Refuge are subject to inspections of permits, licenses, hunting equipment, game bag limits, boats, vehicles, and their contents by Federal or State Law Enforcement Officers.

- Horses and mules are prohibited on the refuge during the muzzleloader and modern gun deer hunts. Horseback riding is permitted on refuge-graveled roads and the portions of the abandoned railroad tracks owned by the refuge for access purposes while engaged in wildlife related activities only. Horses and mules are not permitted off these secondary access routes for any purpose.
- The use of flagging tape not marked as biodegradable by the manufacturer, reflective tacks, or other non-biodegradable devices/ materials used to identify paths, mark tree stands, blinds, or other areas.
- Searching for or removal of any object of antiquity including arrowheads, pottery or other artifacts.
- Target practice with any weapon or non-hunting discharge of firearms.
- The Clarks River Waterfowl Units are closed to all entry from November 1 through March 31, with the exception of drawn permit holders. During periods of high water or flood, unauthorized persons shall not enter upon the Clarks River Waterfowl Units by boat for any purpose. High water or flood conditions do not affect or change the Water Management Area boundary, which is marked with white "Area Beyond This Sign Closed" signs.
- Possession or use of alcoholic beverages.
- Taking of wildlife (outside legal hunting season) or plants (including cutting trees and brush) is prohibited.
- No unauthorized person shall use or direct the rays of a spotlight or other artificial light, or automotive headlights for the purpose of spotting, locating or taking any animal within the boundaries of the refuge or along right-of-way for public or private roads within the refuge.
- Hunting of any wildlife by the aid of or distributing any feed, salt or other minerals.

- We prohibit the use of any electronic call or other electronic device used for producing or projecting vocal sounds of any wildlife species with the exception of electronic calls used during the refuge coyote hunt starting at legal sunrise on the first Monday following the end of deer archery season and closing at legal sunset on Friday two weeks prior to the beginning of youth turkey season.

Weapons/Ammunition

Persons possessing, transporting, or carrying firearms must comply with all provisions of state and local law. Persons may only discharge firearms in accordance with refuge regulations (50 CFR 27.42 and specific regulations in 50 CFR Part 32).

No person shall discharge a firearm on or within 200 feet of any home, refuge graveled roads or portions of the abandoned railroad tracks.

Shotguns are limited to no larger than 10 gauge. All shotgun ammunition must meet legal shot size requirements for each species being hunted as defined by the Kentucky Department of Fish and Wildlife Resources.

Vehicles

The use of all-terrain vehicles (ATVs) and/ or any unlicensed vehicle is prohibited on all refuge property.

Licensed vehicles are permitted on open graveled roadways only. Abandoned railroad tracks are not considered a roadway. **Vehicles blocking refuge gates will be towed.**

Bicycles are permitted while engaged in wildlife related activities on refuge graveled roads and portions of the abandoned railroad tracks that are owned by the Clarks River NWR.

Animals/Pets

The running or training of dogs outside the hunting season for a particular species is permitted by special use permits only. For information on obtaining a special use permit for running dogs call the Refuge Headquarters at 270/527 5770.

Dog owners/handlers must have a collar on each dog with the owner's name, address and telephone number. We allow dogs for migratory birds, waterfowl, small game and fall turkey hunting. All dogs must be detained by leash or chain if not being legally used for hunting. Other pets must be confined or on a leash.

Specific Hunting/Fishing Regulations

With the exception of hunting raccoon, opossum and bullfrog, access to the refuge is two hours before sunrise to two hours after sunset.

Deer and turkey harvested on the Refuge must be telechecked through the Kentucky Department of Fish and Wildlife Resources at 1/800/245 4263 with public land code for **Clarks River NWR**.

Hunters under the age of 16 must be supervised by an adult 21 years of age or older, and must remain in sight and normal voice contact with the adult. On small game hunts the adult may supervise no more than two youths, on big game hunts no more than one youth.

Hunter orange must be worn as required by state regulations. **Caution:** other non-hunting members of the public may be in the area and not wearing hunter orange during hunting seasons.

Ground blinds used for the purpose of hunting any species during the deer modern gun, muzzleloader and youth firearms seasons must display one square foot (144 square inches) of solid unbroken hunter orange visible from all sides. Ground blinds must be removed when not in use.

We allow the use of trail cameras. Cameras may be used year round. Cameras must have owner's name, address and phone number clearly displayed or may be confiscated.

To retrieve or track game from a posted closed area of the refuge the hunter must first receive authorization from the Refuge Manager at 270/527 5770 or the Refuge Law Enforcement Officer at 270/703 2836.

Hunters may not kill or cripple a wild animal without making a reasonable effort to retrieve the animal and harvest a reasonable portion of that animal and include it in the person's daily bag limit.
